Scheduling your COVID-19 Vaccine (Desktop)

1. If you meet the state and federal criteria for vaccination and have been randomly selected, you'll receive an email invitation from Beaumont Health with the subject line **New Scheduling Ticket Available in myBeaumontChart**.

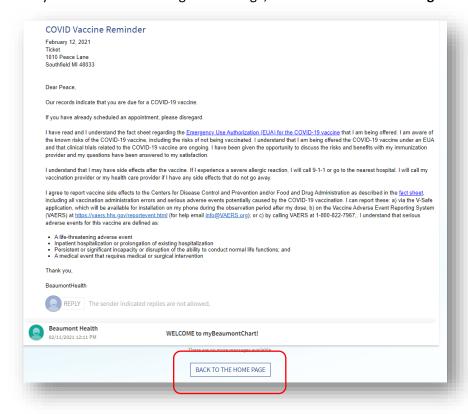

You will also receive an email from Beaumont Health with the subject line Please check your MyChart account

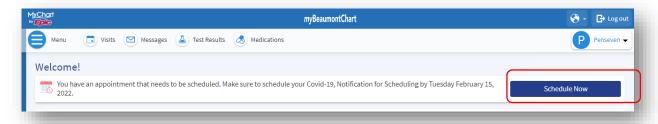

- 2. Sign in to your myBeaumontChart account at mybeaumontchart.com
- 3. In your homepage alerts, you will see that you have a new message. Click View Message to open it

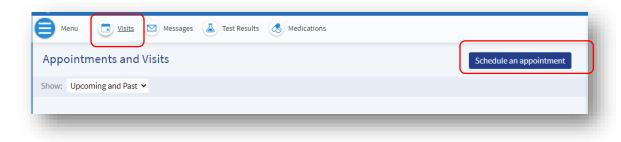

4. Once you are finished reading the message, click Back to the Home Page

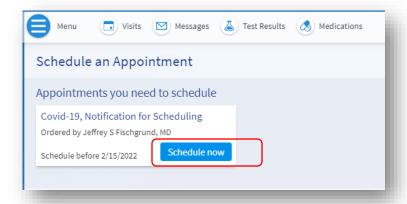

5. From the home page, click Schedule Now next to the alert that says You have an appointment that needs to be scheduled. Make sure to schedule your Covid-19, Notification for Scheduling

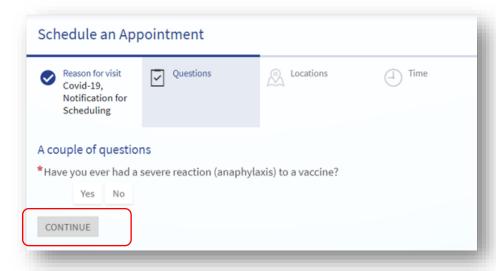

You can also schedule by going to the Visits menu and clicking Schedule an Appointment and then click **Schedule Now**

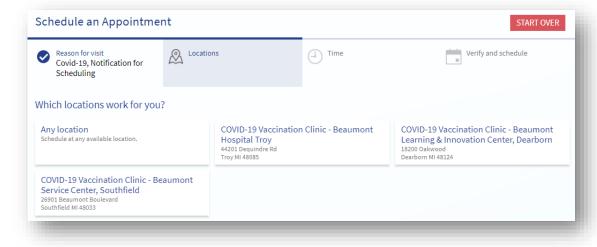

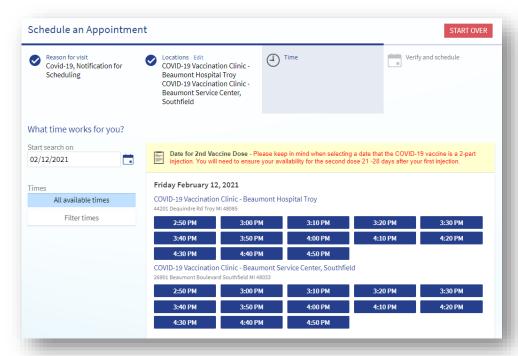

6. You will be prompted to answer a few questions. Click **Continue** after answering each question

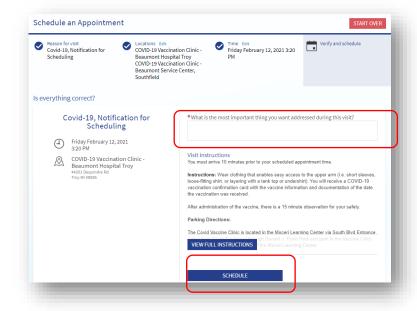

7. After answering questions, you'll be prompted to select a location. You can select one or multiple locations. When your location(s) is/are selected, click **Continue.**

8. Click on the time that works best for you

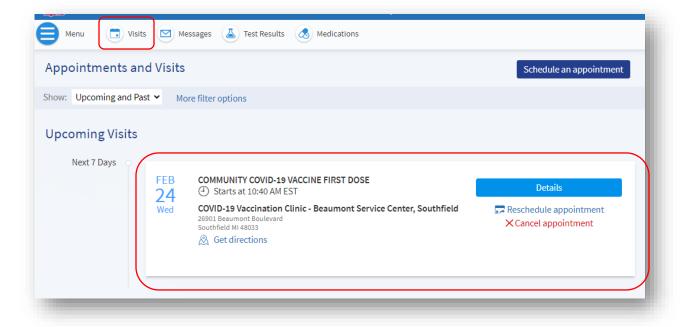

9. Verify everything looks correct on this screen. You'll see your chosen date/time/location on the left and full visit instructions on the right. If everything looks good, fill in the prompt *What is the most important thing you want addressed during this visit and click Schedule. Note: you may click Start Over, or go back a step, but you are not able to "hold" this date/time/location selection without clicking Schedule.

Beaumont

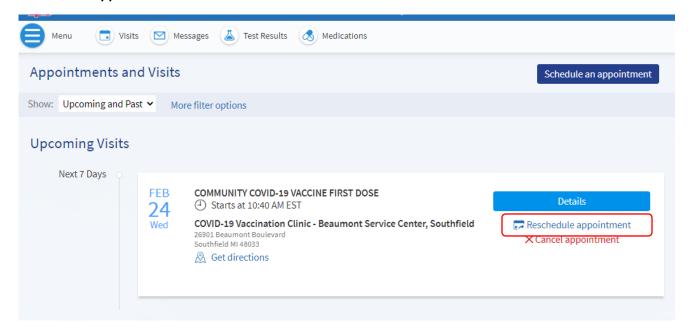

10. You'll receive an email confirmation once your appointment is scheduled. You'll also be able to see your visit information in the **Visits menu** within myBeaumontChart

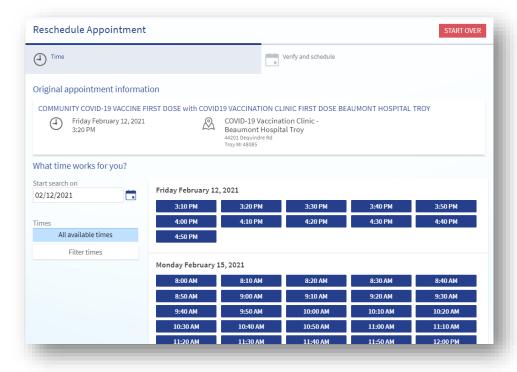

Rescheduling/Cancelling your COVID-19 Vaccine Appointment
